Dear Ms. Dortch:

In response to a request by FCC Wireline Competition Bureau (WCB) staff, SBC Communications Inc. (SBC) hereby files the following proprietary (redacted) documents in order to update through the second quarter of 2004 certain data originally submitted in SBC's February 19, 2004 data request response in the above referenced proceeding:

- 2004 SBC DSL In-Service Lines by month by region¹ (*see Attachment A*)
- 2004 SBC Residential Long Distance Minutes of Use (MOUs) by month by state (*see Attachment B*)
- 2004 SBC Residential LD PICs by month by state (*see Attachment C*)

Pursuant to the Protective Order adopted in this proceeding (released December 22, 2003) and for the reasons stated in the February 19, 2004 SBC Request for Confidentiality, hereby incorporated by reference, SBC requests that this information be withheld from public inspection. Per the Commission's Protective Order, SBC has marked the information confidential. SBC is also filing two redacted copies to be placed in the Commission's public files.

¹ Note that 2003 SBC DSL In-Service Lines by month by region were included in order to correct the July through December data for West, Southwest, and Midwest which was misreported in the initial February 19, 2004 SBC response due to a formula error. All other data was correctly reported including the SBC totals.

Sincerely,
